RETAIL SPACE IN LOSO!

The LoSo neighborhood is the newest up and coming location in South End for new breweries, restaurants, residential developments and on-trend office space. The Station at Loso is a 15-acre mixed-use development ideally located on the Rail Trail in front of the Scaleybar Light Rail Stop. The first phase, Station 3 and Station 4, will anchor this development, and provide a hub for the growing and vibrant neighborhood.
